Subject: 2013 STIP Amendment 5

Enclosed is Amendment 5, dated September 23, 2013, for the 2013–2017 STIP, dated May 2013.

Amendment 5 shows the applicable project numbers along with the phases we wish to program. This amendment represents the projects and phases for which we need FHWA approval. Additionally, we are acknowledging by reference the Montana Federal Lands Access Transportation Improvement Program. A copy of the program is attached.

The subject projects will not require a revised air quality conformity finding or transfer of funds between FHWA and FTA. Consequently, this amendment will not require FTA approval. Please review and approve Amendment 5.
